

Curbside Meals

Starting March 24, 2020, the Senior Activity Center will start curbside meals from **11:00 AM to 1:00 PM**. We want to make sure our seniors have the essential services available to them; food is a priority.

The Nutrition Program is geared to seniors over the age of 60 years of age; donations are kindly accepted but not mandatory. We have been vigilant and have taken preventative safety measures to prep and prepare the food. We are planning on offering this service **Tuesday through Friday** until further notice.

Seniors can enter on the west side of the building in their vehicle between the Idaho Department of Labor and the Senior Activity Center building, grab a meal through their car window and drive off. It's that simple!

For Questions call the Senior Activity Center at 208.233.1212.
